

# How to Create and Manage Your Bowl For Kids' Sake Page

## The Basics

1. Go to the Bowl for Kids' Sake Page: <https://amplify.netdonor.net/1681/BFKSCR17>
2. Click "Register"
  - a. You can either login with Facebook - pulls your name, profile picture and email address associated with account
  - OR
  - b. Create your own login, then click next
3. Enter your profile information, then click next
4. Select how you'd like to fundraise
  - a. Join a team - if you know someone has already created a team and you're looking to join. Search first by their company, then by the team name.
  - b. Start a team - If you don't know a team to join, create your own! You are not committing to anything, just an opportunity to fundraise and bowl. Please notify your Company Champion that you're bowling in addition to registering to raise funds electronically,
5. We'll use the example of creating a team (skip if just joining a team)
  - a. Search your company (all previous bowling companies on list), or you can select BBBS Supporters or BBBS Matches.
  - b. Enter information about your team, then click "Create Team"

6. Click Next after team creation confirmation, to create your individual bowler page
7. The page looks similar to the team creation page with the only changes being your name's Bowl for Kids' Sake page and the default goal is \$90 - cost for one bowler. You can update the goal and messaging at any time. Then, select "Create Page"

*Congratulations! You have created a team and individual page to fundraise!  
The next page will cover beyond the basics.*

# How to Create and Manage Your Bowl For Kids' Sake Page

## Beyond the Basics

Your donation page:

This screenshot shows a user's donation page for 'Your Name's Bowl for Kid's Sake'. The page includes a header with the event logo and navigation links. A callout box points to a camera icon, stating: 'Click the camera icon to add a picture! You can update your profile picture and the banner'. Another callout points to social media icons: 'Icons to easily share your page with others. See below for special instructions on how to email page.' A third callout points to a 'JOIN THE TEAM' button: 'Friends can click here to easily join your team'. A fourth callout points to a list of donors: 'Donations will appear here'. On the right side, a callout points to the user's name in the top right: 'Shows you're logged in and looking at your page'. Another callout points to a progress bar: 'Your Progress bar shows how much you've raised compared to your goal'. A final callout points to a pencil icon next to a goal amount: 'Anything with a pencil icon next to it can be edited'.

Your Dashboard:

This screenshot shows a user's dashboard. A callout box points to the 'Edit Profile' link: 'Ability to enter offline donations to count on page total (not required), enter the information and bring your cash/checks to your bowling time!'. Another callout points to the 'Enter Donation' button: 'Ability to see your donors and thank through website. Thank you email function only works with Outlook or on a mobile device'. A third callout points to the user's name in the top right: 'Click your name to see your different options: Team page, Individual Page, Dashboard'. A fourth callout points to the 'CREATE NEW PAGE' button: 'Ability to enter offline donations to count on page total (not required), enter the information and bring your cash/checks to your bowling time!'.

There are two steps to bowl:

1. Register with your Company Champion
2. Register a page online to fundraise electronically

Don't forget to explore the different tabs on the website for more event information, FAQ's, learn about prizes and more!
